Competition Category - Tracks

Introduction

This section contains the introduction to your proposed project. You should follow the IEEE format for citation if there are any references in your proposal. Refer here for citation format <https://ieeauthorcenter.ieee.org/wp-content/uploads/IEEE-Reference-Guide.pdf>. This is an example of an in-text citation [1]. The details of the citations will be listed in the references section.

Problem Statement

This section contains the problem statement for your proposed project.

Aim and Objectives

Define the aim with supporting objectives of the proposed project here.

Methodology

The proposed design for the project should be detailed in the methodology section.
